

DESERET EVENING NEWS

FIFTIETH ANNIVERSARY EDITION.

ON June 15th, 1900, the "News" will celebrate its Fiftieth Anniversary. Saturday, June 16th, will be the opening of its 51st year, and on that date the paper will issue a specially enlarged and attractive edition in commemoration of the occasion.

The main feature of the edition will be an eight-page supplement, printed on fine paper, with numerous half-tone illustrations, depicting the growth and progress of our City, State and Nation during the fifty years past. A special feature will be a fine double-page view of Salt Lake City in 1900, with an accompanying view of the City as it looked in 1850. The front illustration will be an ideal figure of "Utah," drawn by the artist Mr. J. W. Clawson, who has used for his model the face of a well known Utah girl.

In addition to other attractive contributions, the issue will contain an article on the "Growth of the Church in Fifty Years," by B. H. Roberts; "The Progress of the University in Fifty Years," by Prof. Joseph T. Kingsbury; "Growth of Our Sunday Schools in Fifty Years," by George Reynolds; "Fiftieth Anniversary of the Opening of the Scandinavian Mission," by J. M. Sjodahl; "A Brief History of Utah Journalism," "Development of Salt Lake in Fifty Years," "Growth of Utah in Fifty Years," and many other timely articles by members of the "News" staff.

Another interesting feature of the issue will be the presentation to each subscriber of the daily, Saturday and Semi-Weekly "News" of a fac-simile of the first number of the paper issued—an exact reproduction of the "Deseret News" as it came from the primitive press brought over by the Pioneers, and printed June 15th, 1850.

This edition will have a widespread circulation, not only in the West, but throughout the nation, the "News" having arranged to circulate several thousand copies, as an advertisement for itself, through the boards of trade, hotels and libraries in all the important cities.

No display advertisements will be accepted for the illustrated supplement, but space will be reserved for a limited number of reading notices of business houses.

News-dealers and others desiring extra copies are requested to place their orders immediately, as a second edition will not be printed.

SANDBAGGED AND ROBBED.

R. W. Kirkbride Encounters a Thug Much to His Sorrow.

R. W. Kirkbride, a clerk at the Washatch drug store, was knocked senseless and robbed by a thug about 1 o'clock this morning. The robbery occurred at the entrance to the Richelieu block on Second South and Third East.

Kirkbride had returned from Calder's Park and after partaking of refreshments down town walked up to the store and entered, going into the rear room where he sleeps. He had occasion to go up stairs and in a few minutes returned. Just as he stepped down to the sidewalk he felt a terrific blow on the left side of the head and sank to the ground unconscious.

As he fell he saw a man about 5 feet 9 inches tall standing over him, and then all became black. When he regained his senses, Kirkbride entered the drug store and telephoned the occurrence to the police. He lost about \$3.50, but nothing was disturbed in the store.

UTAH DELEGATES TO CONVENTIONS

Republicans Select Their Committeemen to Serve at Philadelphia.

PLANS OF THE DEMOCRATS.

Will Probably Have Special Car to Kansas City—Prohibitionists Nominate State Ticket and Electors.

The Utah delegates to the two national conventions have practically completed arrangements for their trips east.

The Republicans will not journey to Philadelphia in a body, but each delegate will take whatever route he chooses. The delegates held a meeting at the Governor's office last night, and made the following selections for committee memberships at Philadelphia:

Credentials—Arthur Brown. Resolutions—George Sutherland. Order of Business—George M. Hanson. Permanent Organization—Gov. Wells. Notification to Presidential Nominee—Thomas Kearns.

Notification to Vice Presidential Nominee—C. E. Loose. These delegates will hold their next meeting at the Continental hotel, Philadelphia, on June 18.

DEMOCRATIC DELEGATES

May Journey to Kansas City in a Special Car.

The Democratic delegates and alternates to the national convention may make the trip to Kansas City in a special car.

The Utah delegation will have headquarters during the convention at the Hotel Baltimore. A handsome badge has been ordered for the delegates, and they will probably leave here on July 1. Selections for the committees at the convention will be made until Kansas City is reached.

UTAH PROHIBITIONISTS

Nominate a Full State Ticket and Presidential Electors.

The Utah Prohibitionists did exactly as the "News" predicted they would, and late yesterday afternoon placed a full state ticket in the field, as well as presidential electors.

The mass convention at St. Mark's hall was not large. Rev. Richard Wake was elected chairman, and C. E. Smith, of Ogden, secretary.

National Chairman, Stewart of Illinois, to whose enthusiasm and well directed efforts the convention was due, was present. At no time during the afternoon did the number present exceed twenty-five.

The sentiment in favor of putting a full state ticket and presidential electors in the field was unanimous. The speakers criticized Prest. McKinley for his action with reference to the army canteen bill, and Mr. Bryan was censured, equally because he had not declared himself against the liquor evil.

When the matter was presented to the convention in definite shape, it was formally decided to put a full ticket in the field.

George Boreman, as chairman of the committee on resolutions, presented the following report:

"The Prohibition party of the State of Utah, in mass convention assembled in Salt Lake City, on June 6, 1900, reverently invoking the aid of the Almighty God as the supreme ruler, and the source of all power in human government, and beseeching Him to guide and direct the course and conduct of the party, hereby declares:

"That it favors the immediate suppression of the manufacture, importation and sale, as a beverage, of intoxicating liquors of all kinds; and we believe that the time has arrived for all Christians and good citizens generally to unite to this end in order that the right of our government shall be established in State and nation.

"That we look upon the liquor traffic as the most gigantic evil in our country—as the nursing mother of all evils and crimes; and as the cause of poverty, misery and distress in all the land.

"That the liquor traffic is debauching society and debasing the government; that it is sending annually to drunkards' graves the multitudes of our people; leaving innumerable widows and orphans in poverty and wretchedness; that it is filling our jails and penitentiaries, our almshouses and our insane asylums; that it necessitates the employment of hundreds of policemen and criminal court officers, and vastly increases the taxation of the people.

"We earnestly appeal to the women of Utah. The Prohibition party has been and is the friend of woman suffrage. Let not the enemies of the right franchise plot to us and say that the woman vote will not be for the suppression of the greatest evil of the day. We confidently rely upon the women to make prohibition triumphant.

"That the suppression of the liquor traffic is a national as well as a State and local question; that it is the province and duty of the national government to suppress the manufacture, importation and sale of intoxicating liquors in all of our Territories, in the District of Columbia, in our island possessions, in the army and navy, and in all of the places under the control of the general government.

"That the question of the suppression of the liquor traffic is the greatest issue before the American people. It overshadows every other issue, and yet the two great political parties have constantly in years past ignored it, and continue so to do. These great political parties claim to be the party of progress and advanced ideas; it failed in the hour of trial, and a new and more progressive and bold party, the Republican, though weak and flickering for years, sprang suddenly into power, and by popular vote assumed control of the government. The Altruistic ruler did not have to wait upon the ungoverned Whig party to execute his decrees, but the new party—the Republican—was brought forward to do that work. Today that same Republican party, having concluded its anti-slavery mission, trembles in the presence of this other great evil, the liquor power, and dares not open its mouth. The new party now is the friend of the liquor traffic, and is willing to grapple with the monster evil, and to destroy it, and by God's help it will do so in his own good time.

"Neither of the great parties in Utah can be relied upon to take hold of the question of the suppression of the liquor or the liquor traffic generally. The Constitutional convention, composed of members of both of the great parties, legislated it as did the Republican Legislature and the Democratic Legislature. We therefore urge upon the people of Utah to come into the Prohibition party and give their support to the only party which offers to execute the will of the people in favor of suppressing the liquor business.

"The canteen—the saloon of the army and ruining thousands of our young men—is a standing disgrace to this nation, and one line from the President as commander-in-chief of the army could sweep this disgrace away."

The introduction in vast quantities of alcoholic liquors into our island possessions, is likewise a standing disgrace, and one that by the order of the President at any moment could be stopped.

After this report had been adopted, the real business of the convention was proceeded with, and the following nominations were made:

For Governor—Judge Jacob S. Boreman of Weber county.

For Secretary of State—Mrs. Mary M. Boyden of Utah county.

For Superintendent of Public Instruction—Mrs. Frances C. Smith of Weber county.

For Supreme Court Justice—A. Saxey of Utah county.

For State Auditor—Mrs. Amelia B. Gattrell of Salt Lake county.

For Treasurer—C. E. Smith of Weber county.

The Attorney-General—C. D. Savery of Salt Lake county.

NATIONAL DELEGATES.

PRESIDENTIAL ELECTORS.

Rev. Richard Wake of Salt Lake county, George Denton of Tooele county, Mrs. E. E. Shepard of Salt Lake county.

No threat or hint of a party was appointed to perfect the State organization, as follows: Stephen Richardson of Ogden, Mrs. E. E. Shepard, Rev. Richard Wake, Harry N. Tolles and Mrs. Amelia B. Gattrell of Salt Lake.

After listening to remarks by Rev. J. B. Hall of Denver and National Chairman Stewart, the convention adjourned.
